

Entry Information for the 2017 Sacramento Meet of Champions Track and Field Invitational

Please read all of these instructions carefully.

- **Entry Process:** All entries for the 2017 Sacramento Meet of Champions Track and Field Invitational (SMOC) must be submitted online at <http://episports.com/>. Telephone, mail in entry forms, and FAX entries will NOT be accepted. We believe this process will limit mistakes and increase convenience.
- **How To Enter:**
 1. Starting **Monday, February 27, 2017** create an <http://episports.com/> account for your school by logging on to <http://episports.com/>. If you have an account from last year, you can use that account. Create your own username (which is your email address) and your own password (which only you will know). Please save the password.
 2. **Only one coach per school (preferably the head coach)** is to have an <http://episports.com/> account for use with the SMOC. Using more than one account is grounds for having ALL marks by that school being deleted from the database.
 3. Once you have an account, simply login to <http://episports.com/>, and click “Enter Meets”. Scroll down and select the SMOC from the list of available meets then follow the on-screen instructions to create your roster and enter athletes into the meet. When entering athletes you must state the meet and date the mark was achieved or <http://episports.com/> will not accept it.
 - **Marks Verification:** Make sure all your teams results, dual and invitational, are sent to www.athletic.net and www.prepcaltrack.com. Results sent to these sites will be used for verification of entry marks. If your submitted marks do not appear on these sites they will not be considered for entry into the meet. Also, only indoor or outdoor marks accomplished on or after **January 1, 2017** will be considered for invitations to the SMOC.
- **Entry Considerations:** When entering your athletes, consider the minimum qualifying marks provided on our web site and potential conflicts with respect to the athletes you are entering with school activities (e.g.; senior balls, SAT exams) that may be occurring on the weekend of the SMOC (April 28 – April 30). Please note that achieving the minimum qualifying marks in “[Table 1 – Average Minimum Qualifying Marks](#)” **does not** guarantee an invitation to the SMOC.
- **Entry Updates:** You may add and/or update athletes and marks for your entries until **12:00 PM NOON PST on Sunday, April 16, 2017**. After that deadline, you may not make any additional changes on <http://episports.com/>.
- **Initial Invitations:** On **Wednesday, April 19, 2017**, invitations for both the open and invitational sessions will be available at the SMOC website: <http://www.sacramentomoc.com/> for downloading.
- **Scratches:** For **unaccepted** invitations (**scratches**) only you must email Jerry Colman by **9:00 PM PST on Saturday, April 22, 2017**, at sactc@aol.com or you will be responsible for the entry fee.
- **Final Entries:** The “final” entries and entry fees reflecting accepted scratches and/or adds will be available on the SMOC website by **Tuesday, April 25 at 9:00 PM PST**.
- **Entry Fees:** Your entry fee is due the day of the meet (**April 29, 2017**). Entry fees for both the open and invitational sessions are \$8.00 for individual events and \$25.00 for relays. Make checks payable to **BELLA VISTA HIGH SCHOOL**.
- **Contacts:** If you have any questions concerning the SMOC, please contact Jerry Colman (Meet Director) at (916) 296-1155 7:00 AM to 7:00 PM (e-mail: sactc@aol.com).
